COSMOS WORKSHOP

'Consumer expectations and market trends driving the growth in organic and natural cosmetics'

13th FEBRUARY 4-5.30PM 7A -733

An overview of the global market of certified products will be followed by stimulating presentations on key market triggers and trends reflecting changing consumer expectations. This workshop offers expert presentations and an opportunity for a stimulating debate between the audience and the panel.

COSMOS WELCOME COCKTAIL 13.02.19 FROM 5PM 7A-451

ISO 16128: MONITORING PROGRESS

To protect and promote authenticity of the sector for its future and for consumer benefit, a joint stakeholder venture between the principle actors in the certified natural and organic cosmetics sector will discuss the latest developments and provide a call to action to mitigate risk that a disruptive influence of ISO 16128 may have on the sector's integrity.

13th FEBRUARY

10.30-11.15AM 7A -733
